Statement of confirmation of authenticity

By the act of making this submission, the learner declares that this is the work of the learner named on the cover sheet. The work has not, in whole or in part, been knowingly presented elsewhere for assessment, or where assessment has been built on a previous assessment, this has been identified. Where materials have been used from other sources it has been properly acknowledged. If this statement is untrue, the learner acknowledges that an assessment offence has been committed. Attention is drawn to the plagiarism and cheating policies of both the centre and of ILM. Plagiarism can result in a learner being withdrawn from a qualification.

Permission for ILM to use this script

ILM uses learners' submissions – on an anonymous basis – for assessment standardisation. By submitting, both the centre and the learner agree that ILM may use this script on condition that identifying information is removed.
